### Fiduciary Oath

I, John P. Chladek, MBA, CFP<sup>®</sup>, vow that...

- I will always put the client's best interest first — ahead of my own and that of my firm and its employees. As defined by federal law and the Certified Financial Planner Board of Standards Inc., I will act as a fiduciary.
- When selecting investments, I will act as the client's agent, seeking the best investments at the best prices at all times.
- While neither I nor anyone can promise superior investment returns, I will provide impartial advice and act with skill, care, diligence and good judgment.
- I will provide full and fair disclosure of all important facts.
- I will fully disclose and fairly manage, in the client's favor, unavoidable conflicts.
